AMENDMENT

Sir:

In the response to the office action sent 06/10/2004 and reached my office at 06/21/2004, please amend claims of the above-identified application as follows.

In the claims:

Please amend claims as follows. Claims to be examined are all listed here

1. (Revived and Amended) A method for handling a received web datum, comprising;

- [a] a process to receive a time datum of monitoring point of web datum,
- [b] a process to take out a web datum consistent with said time datum of monitoring point of web datum, among said recorded web datum.

2. (Deleted)

3. (Amended) A method for handling a received web datum, according to claim 1, comprising;

- [c] a process to record a browsing point file with a time datum,
- [d] a process to record a material file, that is referred by said browsing point file, with a time point datum.

4. (Amended) A method for handling a received web datum, according to claim 3, comprising;

- [e] a process to make a reference file list that is consisting of a reference to a browsing point file referred by a browsing point file of frame structure.

5. (Deleted)
